Company Overview

MSA Transportation Services is a Houston-based provider of chauffeured ground passenger transportation for government agencies, officials, visiting delegations, contractors and executives. We operate executive sedans, luxury SUVs and custom Sprinters, dispatched 24 hours a day across Greater Houston, including George Bush Intercontinental (IAH), William P. Hobby (HOU), every private jet terminal and FBO in the Houston area, and the Galveston cruise terminals.

Core Competencies

- **VIP & executive transport:** discreet point-to-point service for officials, executives and dignitaries.
- **Airport & private aviation:** IAH, Hobby and Houston-area private jet terminals and FBOs.
- **Delegation & group movements:** custom Sprinter service that keeps teams together.
- **Event & conference transportation:** official functions, conferences, roadshows and site visits.
- **Hourly as-directed service:** chauffeur and vehicle on standby for multi-stop days.
- **Cruise terminal transfers:** Houston to and from the Galveston cruise terminals.

Differentiators

- **Tail-number tracking:** dispatch monitors commercial flights and private tail numbers in real time; chauffeurs are staged before touchdown.
- **Free wait time:** 20 minutes for domestic flights, 40 minutes for international.
- **24/7 single point of contact** for booking, changes and questions.
- **Every Houston FBO**, plus IAH, Hobby and the Galveston cruise terminals.
- **Discretion & privacy** for officials, executives and their schedules.
- **Fully licensed and insured.**

Who we support: federal, state and local agencies and officials; military and official travelers; prime contractors and corporate travel; private aviation and events.
